

# SMART SEEDS FOR SUSTAINABLE PRODUCTIVITY

## SEED INDUSTRY AND ACADEMIA INTERFACE ON BIOPOLYMER-BASED MULTILAYER SEED COATING FOR MULTI-INPUT DELIVERY

Organized by:

**ICAR-Indian Institute of Oilseeds Research, Hyderabad**

Venue: ICAR-IIOR, Conference Hall

Date: October 27, 2025

*This one-day Seed Industry and Academia Interface brings together researchers, seed companies, and stakeholders to explore innovations in biopolymer-based multilayer seed coating technology for multi-input delivery. The program aims to strengthen industry-research collaborations for advancing sustainable seed technologies and enhancing crop productivity.*
