Sub: Release of third instalment towards oilseed seed hub programme approved by DAC, F&W, MoA & F & W

As you are aware that the seed hub project approved Vide the letter 9-1/2018/ Oilseed/ CA, the DAC, F&W, MoA & F & W dated 17.05.2018, is being implemented by different seed hub centres of your crop. This institute has already released the first and second instalments in 2018-19. DAC & FW has communicated the revalidation of unspent amount of 2018-19 as per the UC as on 31-3-2019 towards the scheme for utilization in 2019-20. The same has also been communicated through mail dated 1-11-2019. Accordingly, this office further communicates the revalidation of the unspent amount in different participating centers as per the UC as on 31-3-2019

Reviewing the progress of implementation of oilseeds seed hub project in different centers the third installment is released as enclosed in Annexure I. I hope the entire amount sanctioned towards infrastructure has already been released by your Directorate/institute to different seed hub centres in 2018-19. It is requested to release the third installment amount immediately to your participating centres and submit the consolidated UC after the release and demand for the balance as per the revised allocation.

It is requested to intimate the final production of seed in 2018-19 and target/expected production for 2019-20 and the head-wise progress of expenditure of your participating centres and a consolidated report for the crop on priority.

It is also requested to take necessary action for the refund of the amount, if already released, from the non-implementing centres.
